

We've got our list and we're checking it twice! We know whose been naughty or nice! Come in your Santa gear or your most festive wear, and bring bells! Bring something warm to drink as we take our list and go around town, sing carols, and deliver coal to all those on naughty list.

This event is intended to be light hearted, but politically motivated.

After we're done you can catch up with the rest of Santas for Santacon.
