

Strike The Achilles Heel

Corporate Constitutional "Rights"?

**The primary reason
We The People keep losing!**

Growing up in America, we were taught that we inherited a democracy. No one told us that we ourselves had to create one. -- Frances Moore Lappe

LEARN WHY at an upcoming workshop:

Why do we fail at:

- * **Universal Health Care**
- * **Renewable Energy Development**
- * **Bold Climate Change Response**
- * **End to Foreign Invasions**
- * **Labor Rights in the Workplace**
- * **Stopping Home Forclosures**
- * many, many more symptoms

Civil disobedience is not our problem. Our problem is civil obedience. ... Our problem is that people are obedient while the jails are full of petty thieves, and all the while the grand thieves are running and robbing the country. That's our problem. -- Howard Zinn

The Occupy Movement has generated amazing energy. Yet the history of popular uprisings has shown us that we have to do something completely new.

Join the 140+ communities in six NE states that are building the Community Rights Movement.

They have passed local laws that end corporate "rights" & enshrine **COMMUNITY RIGHTS!**

Join with others to learn more about this exciting movement!
